

SEARCH ME

Search Me and know my heart
Test me and know my thoughts
See if there is offensiveness
Lead me in the everlasting way
You know all of me, you know all my ways

Chorus
Because you know when I sit and rise
Perceiving thoughts from afar
Discerning my going in and out
I can't flee from you

Hold me fast with your loving hand
The night will shine with you by my side
Guide me through your perfect ways
Cover me under your gentle wings
You know all of me, you know all my ways

Chorus

//Cover me under your gentle wings//

Chorus

And I know at the end I've pleased Him
And I know at the end I'll be with Him

Chorus
