

Longing For You

Lord you are my God
Lord you are my King
Your Word is a Lamp to my feet
Lord you are my Guide
Lord you are my Destiny
Your Word is a Light to my way

/And I longing for you/

My heart is set up on keeping your ways
I've taken an oath I confirm it all
I prefer to go, go, go
In your righteous way hear what I say
I've done what is just, I love your commands
Turn to me my God, have mercy on me
Help me to rejoice, rejoice, rejoice
Teach me your decrees, they are like a breeze

//I've taken an oath//
