

Before You

I was formed by my Creator
His Son Jesus gave life
The Holy Spirit fills my heart with love
He's began his work in me
Changing me to be like him
Day by day I lean onto his trusting hand

Chorus

Before you I surrender it all
In your presence I find delight
You are worthy to be praised, Majesty
Forever and ever, amen

Every nation will gather in
Before you, they will bow down
And every tongue will confess
That you our Lord are God

Chorus
